

PRIVACY COOKIES

Cookies are unique bits of computer data that many major websites will transfer to your computer the first time that you visit. Cookies are stored on your hard drive and may be later accessed by the website to track prior usage. Newsland Tefl (NEWSLAND IDIOMAS S.L.) uses cookies and pixels, or transparent GIF files, to help manage online advertising. These GIF files are provided by our ad management partners. These files enable the ad servers to recognize the unique cookies on your Web browser, which in turn enables us to learn which advertisements bring users to our website. The cookie was placed by us, or by our ad management partner. With cookies the information that we collect and share is anonymous and not personally identifiable. It does not contain your name, address, telephone number, or email address.

A cookie may also be used to deliver customizable and personalized services and information by tracking which pages a user has already visited. We may also use cookies to anonymously track session information, such as pages visited or duration of visit, which will help us continue to improve our format and content.

You may be able to set your browser to refuse cookies or to alert you when one is being sent. It is likely that some portions of our site will not operate properly if cookies are disabled.
